5 Scarlet Fever Cases Under Quarantine

One Adult and 4 Children Have Disease, Board of Health Hears

NURSES AT THE MEETING

One adult and four children are under quarantine for scarlet fever in Narberth, Health Officer George B. Suplee reported to the borough Board of Health Tuesday evening at its October meeting.

The patients are Mrs. William Dougherty and her 1-year-old daughter, 225 Williams avenue; Samuel Buckman, 6, 501 Homewood avenue; Joan Bailey, 5, 110 Merion avenue; and Patsy Rafferty, 5, 206 Iona avenue.

Attending the session, presided over by Dr. George W. Sloan, president, were Mrs. Naomi L. Gable, director of the Community Health and Civic Association, Ardmore, and Miss Bessie Drain, district nurse, who discussed with Narberth members plans for prevention and treatment of scarlet fever.

Political Pot

More than 400 enthusiastic Landon supporters are expected to attend the Landon rally tonight in the Montgomery School Gymnasium at 8 P. M. It is the first rally of this kind ever to be held in the General Wayne District and a wide variety of entertainment has been planned under the leadership of Chairman A. D. Blair. Speakers include Congressman J. William Ditter, Mrs. John Y. Huber, Haverford.

Plans have been made by C. C. T. Remington to provide music and community singing. Mrs. John H. Link and Mrs. John H. Jefferies, Jr., have promised refreshments. John H. Link, Republican Committeeman of the General Wayne District, will introduce the speakers.

A Republican crowd that jammed Masonic Hall, Ardmore, to capacity and overflowed into Ardmore avenue, Wednesday night heard Robert Taft, son of the former President, assert that money for the grandiose schemes of the New Deal to redistribute wealth were being sweat out of the taxpayers. And that the taxpayers included every citizen of the United States.

Main Line negroes were prominent among the audience due to the appearance and address of Jesse Owens, triple Olympic winner, who is making a speaking tour in behalf of the Landon-Knox ticket.

The rally was sponsored by the Lower Merion-Narberth Council of Republican Women.

Elm Hall, Narberth, was crowded Wednesday night when the borough's Democratic Club held its pre-election rally. Speakers included Charles D. McAvoy, United States District Attorney; Frank Bradley, chairman of the Montgomery County Democratic Committee; Wellington Rosenberry, Jr., campaign manager of the county committee; and Dr. Charles G. Fenwick, Bryn Mawr College professor.

What should confront the Republican gaze of Main Line commuters at the Wynnewood station but a large sign on the beautiful estate of Mary K. Gibson. Last Sunday's sign read, "Vote the straight Democratic ticket; re-elect Roosevelt." After that sign, like its two predecessors, had been nocturnally removed, Miss Gibson announced she would build a bigger and better one.

Signed up to campaign full time as a member of the Volunteers is Robert D. Mossman, of Bryn Mawr, first cousin of the Republican presidential candidate, Alf Mossman Landon. He will work under Benjamin H. Ludlow, Ardmore, head of the Volunteers.

Other new Volunteers in this section are:

No. 196, Mrs. Philip F. Murray, 238 Merion road, Merion; No. 197, Mrs. Donald P. Beardsley, 222 N. Narberth avenue, Narberth; No. 200, Mrs. Garnet B. French, 1228 Grenox road, Wynnewood; headquarters, J. L. McCrory, 53 Wynnedale road, Narberth. No. 108, Mrs. Thomas W. Blake, 506 Rockavon road, Narberth; No. 121, Camilla Fella, 19 Highland avenue, West Manayunk; No. 147, James H. Bell, 5903 City Line, Merion.

Purse for Gavin Reaches \$153.60; Injured Shortstop Slowly Recovering

Narberth admirers of John (Mickey) Gavin, borough baseball team's star shortstop, had raised by Wednesday morning a purse of \$153.60 for the Bryn Mawr youth whose athletic career was tragically ended last week when his right leg was crushed in an accident.

Gavin, who is in Abington Hospital, has recovered somewhat from having his leg crushed by a five-and-one-half-ton girder on a Cheltenham county-aid operation and surgeons are now hopeful that the member will not have to be amputated.

Funds for the Gavin benefit may be left at Davis' Store, Narberth, where the manager, Gene Davis, was also manager of Mickey's team.

The following letter has been received from R. A. Cabrey, president of the Narberth Baseball Club, who sponsored the benefit for Gavin:

Editor Our Town:

The call for the "Mickey Gavin Fund" which went out Friday is being met with a fine and generous response.

The rapidity with which the contributions are pouring in indicates the hearty approval of the plan.

It is hoped that those who have not already contributed will do so this week, so there will be no unnecessary delay in making the presentation to Mickey.

The following is the list of donors up to Wednesday afternoon:

Continued on Page Two

L. M. Sportsmen Hear of Land Acquisition by Game Commission

TWO SHOTS SATURDAY

Nearly a hundred members of the Lower Merion Rod and Gun Club heard A. W. Rossiter of the Pennsylvania Game Commission tell of his land acquisition work, at their meeting Wednesday night in the Narberth Community Building.

He told how thousands of acres of land in and near Montgomery County are being freed of hunting restrictions, so that birds and game may be hunted nearer home. The work is made possible partly by leasing and buying farms, and partly by convincing farmers that it is not necessary to post their land against all hunters, now that the standards of sportsmanship have been raised by means of organized clubs. Farms are being stocked and refuges created, so that game and birds will be more numerous—as well as more adjacent to here—within a year, Mr. Rossiter declared.

The club is formulating plans to create shelters in this section for game and birds, and especially pheasants, who were described as particularly good destroyers of Japanese beetles.

Members and guests are invited to the club's shoots held every Saturday afternoon on the Nash farm; and also to the Federation of Sportsmen's Club's three shoots: this Saturday, and November 21 and December 19, on the penitentiary grounds at Grattersford.

He has also interviewed Mayor La Guardia and Norman Thomas and contrasted the personalities of Landon and Roosevelt.

At the close of his address there was a short discussion. Mrs. J. H. Hongler, chairman of the Hospitality Committee, was the hostess and Mrs. Spencer Smith, the Junior president, and Mrs. J. E. Burrell were at the tea table.

"Bishop Misbehaves" Tonight and Saturday

Narberth Players to Present Comedy at School Auditorium

IT OPENS LOCAL SEASON

Tonight and tomorrow night, at 8.45 o'clock, in the Narberth Public School auditorium, Narberth's own dramatic group, the Narberth Players, will usher in their winter season with Frederick Jackson's well-liked comedy, "The Bishop Misbehaves."

In spite of business, social and political activities, Martha Lindsey Simpson's cast of ten have rehearsed diligently for the coming performance. Cecilia Link has lent her services as prompter and assistant director, while Myrtle Harnden has aided as property manager. Roger Burns is in charge of the scenery.

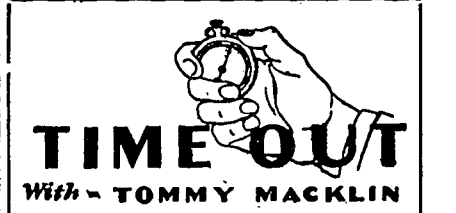

Evelyn Dutton and Maurice Du Marais hold the leading roles of the production. Miss Dutton is portraying Lady Emily, the bishop's sister, and Mr. Du Marais will assume the role of the comical bishop.

Others in the cast include George Werner and Betty Brunel, Ruth Conley, Robert Estes, Francis Mitchell, William Muller, Elmer Hackman and George McAllister.

Due to its being the first presentation of the year, Bertine Simpson, president of the group, expects an extra large crowd. He is especially pleased that the play is a light and hilarious characterization.

Tickets for tonight and tomorrow night's performance will be on sale at the door of the auditorium just before you enter.

J. L.

The only game of football ever played between Lower Merion and West Philadelphia (as far as I can find out) was played in the year 1919 and resulted in a 19-to-0 victory for the city fellers. The Main Line boys must have been carrying a secondary shell-shock from the great war, for the locals only won one game during that season, a 20-to-12 victory over Norristown. Even Berwyn and Lansdowne won from the Maroon that year, not to mention victories by Northeast, Central and West Philadelphia from the big city.

Tomorrow West Philly comes to Pennypacker Field, the representative of the Public High League and at present the leader of that body with a record of two victories and a tie game. They have a reputation for throwing footballs, legally of course, and with good results. Lower Merion must be on the alert more than ever if such is the case, for the Bulldogs' main weakness has been defense against forward passes. Adam's boys stop most of the thrusts along the ground, but the backs have been woefully weak when it came to covering receivers of forwards.

Coach Dick Mattis took his Junior High boys to Norristown last Friday, where they defeated Stewart Junior High, of that city, 26 to 0, on Roosevelt Field.

This is the third consecutive victory for the Leopards this season and none of the opposing teams have been able to score a point against the Orange and Black defense.

Little was expected from the new squad placed on the field by Coach Mattis this year, but the coaches have brought the boys along nicely. There are no outstanding stars on the team and the members are seemingly quite ordinary in ability. They plug away, however, three yards at a clip, with seemingly excellent results. Eleven touchdowns have been scored in the three games they have won. Abington lost, 26 to 0; Phoenixville, 19 to 0, and Stewart, 26 to 0. Smedley, of Chester, is the opponent today, the game to be played on Pennypacker Field.

Boys' Club Beats Richmond

Narberth Boys' Club defeated Richmond A. A., 13-6, at Narberth last Sunday, in the season's opening football game. Mike McGarry ran 50 yards for one touchdown, and his pass to Dimedio accounted for the other.

eye the Sailor Man and Olive Oyl,
Betty Boop at Jack and Jill's Wed-
ding, Three Little Pigs and the Big
Bad Wolf and others. The show

with all who saw it.

"Show Boat," "Passing of
Third Floor," "Diamond Jim"
Scheduled for Narberth

Four major productions are prom-
ised patrons of the Narberth Theatre
during the current week.

Edna Ferber's "Show Boat" will be
shown this Friday and Saturday, with
Irene Dunne, Helen Morgan, Paul
Robeson, Charles Winniger, Allan
Jones and hundreds of others. Jer-
ome Kern's music helps make "Show
Boat" one of the great entertainments
of all time.

"The Passing of the Third Floor
Back," with Conrad Veidt, to be given
Monday and Tuesday, is described by
Frank Nugent in the New York
Times as "a thoughtful, engrossing
and delicately played picture."

Wednesday (Cash Award Night)
will find Edward Arnold portraying
James J. Brady, who roared through
life with a slap on the back for all he
liked and a punch in the nose for all
he disliked, in "Diamond Jim."

Careers come first in "Next Time
We Love," co-featuring James Stew-
art and Margaret Sullavan, but next
time, of course, things would be dif-
ferent. It's at the Narberth next
Thursday.

"Piccadilly Jim" at the
Egyptian; Short-Subject
Matinee Saturday Morning

"Piccadilly Jim" today begins a
four-day engagement at the Egyptian
Theatre. The P. G. Wodehouse best-
selling novel is hilariously funny, the
cinema adaptation and direction are
refreshingly original, the settings,
largely on a trans-Atlantic luxury
liner, are superb—and the acting is
very pleasingly done by Robert Mont-
gomery, Madge Evans and Frank
Morgan.

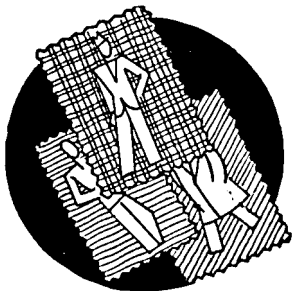

The show will have a matinee 2.15
Saturday; and Saturday at 10.30,
there will be a special matinee of
Popeye and Mickey Mouse cartoons
and Silly Symphonies by Walt Dis-
ney, instead of the marionette show
previously announced.

"Meet Nero Wolfe" is coming
Wednesday and (Bank Night) Thurs-
day. It's a corking murder-mystery
thriller, with a golf club for a snap-
per. Edward Arnold, Lionel Stander
and Victor Jory head the cast. And
the program includes the newest issue
of "The March of Time."

"Murder in the Fleet," next Friday
and Saturday, is swell entertainment
with Robert Taylor and Jean Parker
for stars.

neither time, nor effort, nor cost. In
fact more than two years were spent
in preparing the script, in research
work to make perfect the atmos-
pheric settings, and in the actual
filming of the many and intricate
scenes.

There never has been a cast to ap-
proach this one in size, and few that
will equal it in talent. There are
ninety-eight principals with speaking
parts, 2,550 bit players and extras,
and nearly 3,000 artisans and techni-

make the picture letter perfect. More
than 1,000 scenes were "shot" for the
production on 131 mammoth sets.

Needless Martyrs...

MORE than 100,000 persons
were killed last year,
through accidents, in this country.

In industry alone, at least five
per cent of these accidents—one
in twenty—were directly due to
faulty illumination. The National Safety
Council found that, indirectly, poor visi-
bility caused a much larger share.

In money alone there would be a saving
of at least \$100,000,000 annually to
industry if correct sight conditions were
provided for workers. This does not take
into account highway lighting—where
enormous savings in life, suffering and
money are easily possible.

With increased emphasis on safety, public
officials and the management of private
industry are turning more and more to the
basic remedy—LIGHT!

CLEANING

Girl Scout News

We thought the busy season for the ant was ended, but those busy little green-clad creatures that come scurrying up your walk—oh, you say they are Girl Scouts—why of course I realize that now—and I know the reason. It is "Cookie" time and the ants during their busy season are no busier than the Girl Scouts of Philadelphia and its suburbs when "Cookie" time comes round. How they do scamper and scurry about to all their friends and acquaintances to take orders for cookies. Of course Girl Scouts may not approach those they do not know, so if you do not know any girl in any of the twenty-four troops serving the Main Line you can buy your cookies from the booth at Strawbridge & Clothier's store in Ardmore. Or call the Girl Scout headquarters at the Bryn Mawr Presbyterian Church and your cookies will be delivered to you. Delivery of cookies will not start before October 24 and will continue until November 7.

Your Narberth troops—8, 47, 125—will serve you gladly, and if you have never had any of these cookies it is time for you to order some from any member of these troops that you know and become acquainted with a cookie that is as good as you can buy for any price. The price of these, however, is only 25 cents a pound.

Do not delay placing your order, as these cookies will not be available after November 7 and it will be a disappointment not to have some of these cookies on hand.

Narberth Girl Scout Troop 8 and the rest of District 8 troops will take a historical hike, starting at General Wayne Inn, terminating at Dove Mill Lake Day Camp. We leave Narberth at 2 P. M. and leave Day Camp at 4 P. M. We have planned a Halloween party for next week.

Needlework Guild Meeting

The Narberth branch of the Needlework Guild of America will hold its monthly all-day sewing and business meeting in the Legion room, Wednesday, October 28. This is the last meeting before the annual ingathering of garments. A large attendance is earnestly desired to help sew, as there is a great demand for clothing. The President, Mrs. C. H. Woolmington, or any director will be glad to receive donations from any one who has not already been contacted and desires to donate.

There will be plenty of machine and hand sewing for all, and any one caring to come will be welcome. The ingathering will be held November 18 in the Baptist Church.

Bring a box luncheon. Tea and coffee will be served.

Keep your news brief.

"UNDERGROUND RAILROAD"

In the days before the Civil War many people in this region were organized in a secret enterprise—the "Underground Railroad". Their purpose was to aid negroes who were fleeing to freedom in the North and Canada.

Scattered along the roads that led northward were the "stations" of the "Railroad" . . . homes of ardent abolitionists. Here, under cover of darkness, fugitives were received and housed. Disguised in costume, they would be taken by wagon to the next stop, about 10 miles distant.

The northern route through Chester and Montgomery Counties was fed from Kennett Square and Wilmington, Delaware. From here it went to Harrisburg and, by the Susquehanna Valley, to New York State and Canada.

History tells us that one Enoch Lewis once sent his eldest son to Nixen's factory on Pickering Creek with a load of wool in a horse cart, and a colored woman and her children packed in behind the wool.

Much historic action has taken place in the region about Philadelphia. This is the territory today served with the purest, safest, most dependable water available.
